

Inputting Scores

Any Home Team Personnel can input their own game scores! This new feature has been enabled for our Wooster Summer Baseball Fall League.

Inputting Scores – <http://www.woostersummerbaseball.org>

To input your score, Log in. Click the Home icon along the left. Navigate to your team page – (Team Central, Team Directory), and click the **Calendar** tab for your team. On the calendar page, click on **Results**, **Edit Scores**, then **Save & Post**.

The screenshot shows a website navigation menu with tabs: HOME, ROSTER, CALENDAR (highlighted), NEWS, GALLERY, and DISCUSSIONS. Below the menu is a toolbar with buttons for Agenda, Week, Month, Task Sign Up, Results (highlighted), Create Event, and Export this Calendar Feed. A section titled "Team Results" displays a game entry for 08-07-2016. The home team is "Green" with a score of 5, and the away team is "Black" with a score of 7. Buttons for "Edit Scores" and "View Event" are visible next to the score.

Team Personnel will have access to input the final score ONLY FOR THEIR HOME GAMES.

You can also text scores to Cheryl Boyer (330.201.1077) for entry into the system. Please make sure to include your name and team name along with the final score.
